

what

You know what's hard? Trying
to remember ^{whether} ~~a folder~~ or not you
lost a file, or you simply misnamed
it.

been
You've quite unlucky in ^a number
of ways today. Yet, now, you realize
how very lucky you are, indeed:
just yesterday you mailed a copy
of your harddrive to your best
bud in Seattle. You just had a feeling
something was going to happen.
Thankfully, you have a backup, to
your backup, to your backup!
You sleep well tonight, knowing
you'll meet that deadline!

Did the cloud server farm spill
coffee all over itself?
