

what

You know what's hard? Trying  
to remember <sup>whether</sup> ~~a folder~~ or not you  
lost a file, or you simply misnamed  
it.

been  
You've quite unlucky in ~~the~~ number  
of ways today. Yet, now, you realize  
how very lucky you are, indeed:

just yesterday you mailed a copy  
of your harddrive to your best  
bud in Seattle. You just had a feeling  
something was going to happen.  
Thankfully, you have a backup, to  
your backup, to your backup!  
You sleep well tonight, knowing  
you'll meet that deadline!

Did the cloud server farm spill  
coffee all over itself?
